## Have You Ever Been Fishing?

One day at my grandfather's farm we went fishing. We took our fishing poles down to a nearby lake. Then we used a new kind of bait. We rolled up pieces of bread into small balls and put them on our hooks. After that we threw our lines into the water. After a while a fish began to nibble on my line and I pulled it in. Mom took a picture of Grandfather, Dad, and me holding the fish that I caught with bread!

1

What did the girl do first when she got to the lake?

- rolled up pieces of bread
- threw her line into the water
- put bread on her hook

3

What happened last?

- Mom took a picture.
- The girl caught a fish.
- They used a new kind of bait.

2

Before you throw your line in the water, you must

- take pictures
- put bait on the hook
- find some bread

## Class Field Trip

Dear Parents,

Our class is going on a field trip! On Tuesday, May 1, we will be going to the Florida Orange Grove. We will learn all about different kinds of oranges. Then, we will find out about foods that are made with oranges. Later, the students will go out into the grove to pick some oranges to take home. We will end our day by drinking some fresh orange juice and finally we will head back to school.

Sincerely,

*Mrs. Green*

4

Before they pick oranges, the students will

- drink fresh orange juice
- learn about the kinds of oranges
- make some food with oranges

5

What is the last thing the students will do before they leave?

- learn about oranges
- pick oranges
- drink orange juice

## Answer Key

### SAT Standard

Identify explicit sequence

### SSS Benchmark

LAA211: Determines the main idea or essential message from a text and identifies supporting information. (Retells a story in sequence.)  
LAA213: Reads for information to use in performing a task and learning a new task. (Sequences simple information from text.)

### Have You Ever Been Fishing?

1. rolled up pieces of bread
2. put bait on the hook
3. Mom took a picture.

### Class Field Trip

4. learn about the kinds of oranges
5. drink orange juice
