Date: _____

School

Children from all over the world go to school. Some schools are very small and have only a few boys and girls. Other schools are very large and have lots of rooms for students to work and play. They might have art and music rooms, as well as classrooms.

Children go to school to learn to read, write and learn about numbers. It does not matter if the school is big or small. The children are there to learn.

4

The story says that

- only children from some parts of the world go to school
