Taking Care of Tag

Beth and Jimmy take care of their pet dog named Tag. Every day they put food and water in his dog dishes. Then they take him for a long walk. He also likes to play in the yard with them. Sometimes Jimmy throws a stick and Tag barks and runs after it. Tag always brings

the stick back and wags his tail. Tag plays “tug-a-rope” with Beth. He pulls until Beth lets go or she pulls until Tag lets go. Once Beth pulled too hard and fell down. Tag ran to her and licked her face until she got up. She laughed so hard that she fell down again. Tag always makes everyone laugh.

A Visit to the Forest

A forest is an interesting place to visit. There are lots of trees and plants all around. Many animals make their homes in the forest. You might find beavers making a dam in the stream. You could also see a woodpecker, pecking a hole in a tree and looking for insects. A bear might be walking through the forest with her cubs. Visiting a forest would be a fun adventure.
